GENERATION TRANSCENDANCE

ARTISTIC FAMILY LINE

The collection « Featuring Jean-Pierre Calteux (1911-1983) » honours my grand-father's work, who was a professional artist painter and artistic teaching professor.

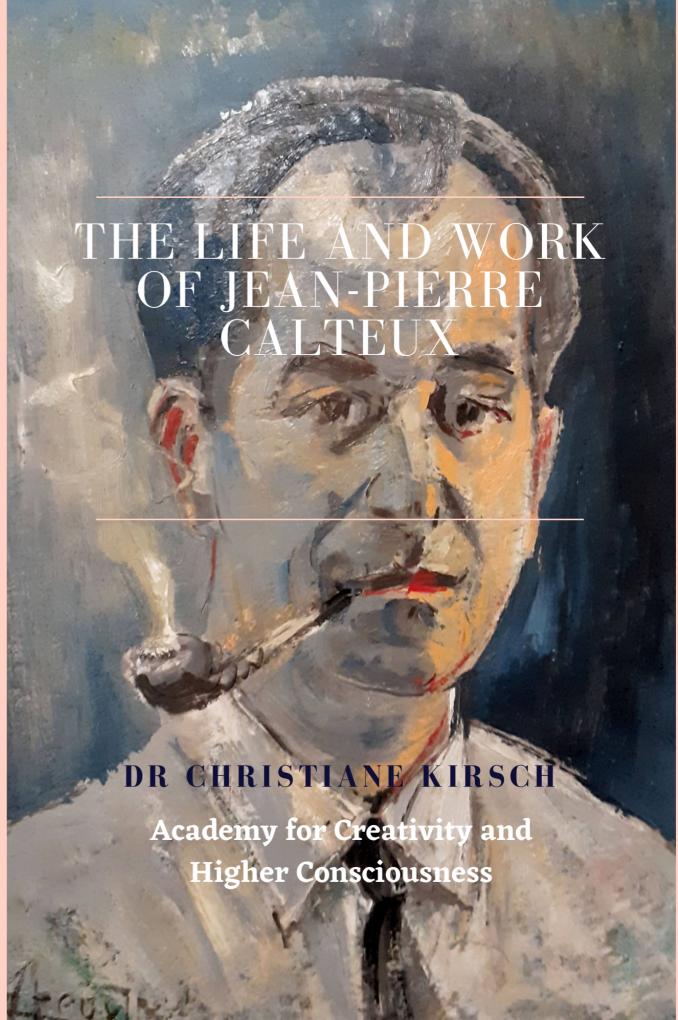

His grand-daughter, Christiane Jeanne Kirsch holds a Doctorate in Psychology from the University of Luxembourg. Her doctoral thesis explored the typical profiles of creative people in arts, science, and everyday life. She continued her postdoctoral studies at the Marconi Institute for Creativity in Bologna and founded the Academy for Creativity and Higher Consciousness in Luxembourg, an institute for research and intervention on inspired creativity, transpersonal psychology, and the healing arts. The Creative Academy Shop bridges her scientific and artistic interests.

Jean-Pierre Calteux (1911-1983) was a professional artist painter and artistic teaching professor. He studied at the School of Decorative Arts in Strasbourg (1929-1932) and won the Strasbourg City Prize in 1932. This book offers a glimpse into his work.
